Marketing Services Pricelist

Email Marketing

Email is one of the most effective and widely used tools in Internet marketing. An effective email marketing campaign can quickly provide your potential and current customers with information such as updates and offers. Email Marketing has been proven more successful than direct mailing and is affordable. The Email Marketing services available are as follows:

CUSTOM TEMPLATE DESIGNS

- + Customized email template designs that utilize your company branding
- + Created templates optimized for mobile viewing
- + Integrated links to your website to drive traffic
- + Links to social media platforms

Types of Email Templates:

Email Newsletter Template
for providing updates to your subscribers and creating brand awareness

Category Follow-Up Template (eCom)
promote related items when someone buys from a specific category (only available in Plus and Premium)

First Purchase (eCom)
send a welcome series to new customers when they make their first purchase (this template only available in Premium)

Dedicated Email Template
contain information for stand-alone topics, offers and event invites

Best Customers Template (eCom)
reward your best customers with sale announcements or special coupons (only available in Plus and Premium)

Abandoned Cart (eCom)
encourage customers to complete their purchase if they leave items in their cart (this template only available in Premium)

Customized Email Template
customized to fit your specific business needs and email marketing campaign

We Miss You Template (eCom)
win back customers who haven't purchased from your store in a specific timeframe (this template only available in Premium)

**number of templates created dependent on your package purchase*

Welcome Template
for new newsletter subscribers
